

# RGA-Design Government, LLC

## CAPABILITY STATEMENT

RGA-Design Government is a licensed A&E firm registered to practice in Florida, Ohio, Tennessee, Delaware, and Georgia. We adapt the scope of our projects to each client's requirements and preferences. Our portfolio varies in scale and complexity and focuses on renovation, restoration, adaptive reuse, and mixed-use redevelopment.

### CORE COMPETENCIES

#### Architectural Services

- Programming and Master Planning
- Facilities Evaluations and Feasibility Studies
- Architectural Design (Schematic, Design Development & Construction Documents)
- Specifications and Cost Estimating

#### Forensic Assessments

- Fair Housing Act
- ADAAG
- Governing Building Codes
- NFPA Life Safety Code

#### Engineering Services

- Site Planning and Development
- MEP Engineering
- Structural Engineering
- Construction Documents and Specifications

#### Rapid Response

- Assessment and restoration of damaged structures due to natural disasters, accidents, or negligence

### What Sets RGA Apart?

- RGA encompasses Architecture, Engineering, Forensics Assessments, and Rapid Response under one roof, allowing us to have a complete understanding of the project
- Our budgets are based on realistic benchmarks
- We have employees with diverse experience backgrounds, educations, and areas of expertise
- We strive for direct communication between our clients and principals with quick response times

### Past Performance

- Allied – Ongoing design, forensic inspections, and inspections for an industrial campus
- Store Space – Multiple and ongoing design and management projects in various states. Projects range from minor code review to complete planning and design for self-storage facilities
- Rizzetta & Company – Multiple projects assessing properties inside
